This class will also provide 16 hours of credit toward renewal of your Master or Journeyman's License or to maintain your status as a Registered Electrician

2019-20 WETC Electrical Training & Electrical Exam Prep Class

(Note: This is the same class presented in four different locations on different dates for your convenience)

Taking the Wisconsin Master or Journeyman's Exam can be a daunting experience. While no instruction course can provide the answers to the questions on the test, this two-day class will equip you with the techniques needed for completing the exam using only the Wisconsin State Electrical Code SPS 316 & the 2017 National Electric Code. You will work with practice questions & calculations as well as receive pointers on areas to study that will jump-start your study sessions leading up to the test. **Upon completion of this class you will have a better understanding of:**

- Calculations
- Motors
- Generators
- Raceways
- Cables
- Conductors
- Cabinets
- Service Equipment
- Utilization Equipment
- Special Occupancies
- What to expect on the exam
- Tips for passing the exam

Who Will Benefit: Anyone who is serious about passing the Master or Journeyman's Electrical Exam and desires an intense review and study session to refresh your knowledge of the electrical code, calculations and theory and boost your confidence in writing the exam. This class is also a good choice for anyone who is in need of CEU's for license renewal or has the desire to improve their understanding and ability to work with the NEC & SPS 316.

(This class will also provide 16 CEU's for renewal of your Electrician License or Registration.)

REGISTRATION FORM - Fax or E-mail Registrations MUST be received no later than 10 days prior to the date of the class. Please telephone our office for late registrations.

Class size may be limited - be sure to register early!
